**Local Scout Joins Others in Arrowhead Leadership Training**

A well planned evening of fun, food and entertainment was provided by hosts Mr. and Mrs. Paul W. Herring at their backyard party given in honor of Mr. and Mrs. David Minear's dual birthdays. Scrabble and horseshoes took top honors in the game field. Neighbors and friends galore gathered not only to wish the happy couple a happy birthday but also to bid farewell to Mrs. Minear and her son David who left on their return trip to Luray, Kan., immediately after the gay soiree. Mr. and Mrs. Minear and son David were presented with a variety of mementoes from California.

We point with pride once again to another citizen in our community—Kenneth MacKenzie, of 4332 W. 179th St.—who left Aug. 25 for Lake Ar-

rowhead to take part in the Junior Leaders' Training Camp of the Boy Scouts of America. Kenny was chosen from Troop 753 last June along with 10 other boys. Two of the boys from the Harbor District were chosen to attend Philmont (N.M.) Scout festivities. The other eight were to go to Lake Arrowhead and, since Kenny was the first alternate when one of the boys moved, Kenny replaced him. This very active young man has been working on his merit badges all summer long, aside from doing many odd jobs in the community. Good luck, Kenny!

Jerry Blake, of 16825 Thornburgh Ave., still can't make up his mind whether his Lake Arrowhead trip along with Mike Brooks to the Woodcraft Rangers' Camp was just a dream. From Aug. 13 to 20 both swam, hiked, enjoyed a cook-out, a variety of crafts, traveled on the ski lift and visited Santa Claus Village. All this plus special suggestions from their own counselor provided the boys with many pleasant memories. Mike arrived home just in time to join his family on their vacation trip and Jerry returned to a "sparkling brand new room" which mom and pop Blake had completely redecorated in the do-it-yourself style! Lucky boy!

That ever-popular bridge club in Torrance, the Gay Bridgeadeers, held their last game at the 1223 Electric St. home of Mariah Torrence. Marie Holm received first prize and I was told that the booby prize was forced on Lou Clanson.

Happy birthday wishes were extended to Martha Anne Burgess at the patio party given by her daughter and son-in-law to celebrate the occasion. Over two dozen persons were in attendance at the buffet luncheon and dinner affair, then they all motored to Hollywood where they viewed the ever-popular "Cinerama Holiday." Mrs. Burgess was presented with many lovely plants for her lovely garden and also a handmade lace blouse sent over from Spain.

Naomi McVey, Alice MacKenzie, Audrey Herring, Vera C. Wright, Marion Torrence, Claudine Blake and Mildred Westmoreland all grouped together to surprise Sarah R. Hooker with a birthday party at the 18305 Roslin Ave. J. Westmoreland home. The gals enjoyed an evening of canasta with Claudine Blake taking home first prize and Mildred Westmoreland received booby. Other prizes were also won by the two lucky women. Banana nut cake, fudge cake and coconut cake with plenty of coffee were served.

One of the most excited young men in our midst was 6-year-old Whitie awaiting his

birthday party which was held on Sunday, Aug. 19, from 2 o'clock till 4. He was the recipient of many, many lovely gifts.

This has certainly been a summer of surprises for Mrs. Kenneth McVey of 3825 W. 176th St. who on Monday, Aug. 20, at 8 p.m. received a phone call from good neighbor Mrs. Donald Meier of 3822 W. 176th St. who invited her over for a steaming hot cup of coffee.

When she ventured across the street she was greeted by Mrs. Eugene Phillips, Mrs. William McPheeters, Mrs. Lloyd Waggoner, Mrs. Ward Bartholomew, Mrs. James Nichols and Miss Donna Meier. "Cake and the works" provided the frolicsome group with plenty to keep them occupied the rest of the evening.

Good luck and best wishes are extended to charming Ida Callahan who has entered the

hospital this week for minor surgery.

Good luck to Mr. and Mrs. John Nelson for with the arrival of young son Johnnie they thought their little family group would be complete, but unfortunately sister Jeannette Ann thinks differently and does everything under the sun—but sleep—every night! This has been going on for three weeks and Mr. Nelson says, "Truthfully, I'm tired." I can't

say I blame him even though Jeannette is only 3 years of age. She is a very determined young lady!

Luckiest couple in town is June and Roger Whitney whose wedding present from a wealthy uncle is a brand new blue and white Plymouth Belvedere four-door sedan. All that and silverware, automatic coffeemaker, electric fryer, waffle iron and toaster completed their lovely array of wedding gifts!

We join Mr. and Mrs. J. L. Hardy in saying "Shame on you" to whomever decided to destroy the elderly couple's 10 orchid plants. Maybe whoever

did it didn't realize that these folks have spent a small amount of money from their pension each month in order to build up their little orchid corner! Many neighbors, three newlywed couples, all combined their finances to purchase more plants for the Hardy couple and now they are the proud possessors of 15 orchid plants.

Julienne McVey spent a week in Whittier; the houseguest of Miss Janet Rawson, 802 Rockne Ave. Meanwhile, her brother David McVey entertained as a houseguest his former school chum in Tucson, Ariz., Dennis Woodward. Although Dennis spent an entire

week at the McVey chalet, he and David still had many more tales to tell one another when it came time to part!

Mrs. E. Millsbaugh, Mrs. S. Hooker and Mrs. W. Wright celebrated their triple August birthdays with a special Chinese dinner and coffee and cake with entertainment being provided by Miss Spookie Millsbaugh to round out the perfect evening.

Jeanne and Jim Bradley celebrated their first wedding anniversary with dinner at the Moulin Rouge. Upon their return home, at an hour way past midnight, they discovered many beautifully wrapped

gifts on their doorstep! Reason? Surprise party for them as they hadn't divulged the fact that they were going out! Who surprised who?

Sincere get-well wishes are extended to 4-year-old Linda Ecker, of 18500 Mansel, whose bicycle suddenly turned into a little monster and overthrew the charming miss. A few more days within the portals of her home will do the trick.

The 4031 W. 174th St. home of the W. H. Basens is one of the happiest in our community for it now boasts a new son, making him the third boy in the family.
